

To our East Bay Vision Center Community,

We have officially reopened! While we are excited to see you back at our office, we want to make sure we reopened as safely as possible.

Things may look a little different when you come in. Following CDC and the American Optometry Association recommendations, we have implemented these healthcare protocols for the safety and well-being of our patients and team:

- Entry by appointment only, including for eye exams and optical services
- Masks required for all patients and staff
- Spaced-out eye exam appointments
- Thorough disinfection of office between patients
- Touch-free check-in and medical forms
- Screening temperatures for EBVC Team and patients in the office
- Sanitization of eyewear after handling by patients
- Curbside pickup or delivery of contact lens / glasses orders
- Telemedicine appointment whenever possible
- Optimal social distancing

**Please contact us if you would like to schedule a visit or if you have any questions.**
